MEMBER NON-MEMBER

Learn the basics of your DSLR camera. If you are shooting in automatic mode and would like to make the switch to manual then this workshop is for you. Learn how to take control of the settings on your camera to get the images you want. Must have a DSLR camera to participate. Join us and learn your camera!

Wendy Conrad: I took my first photography class in the 80s and had been a hobbyist for decades when I started my portrait photography business in 2010. I've exhibited and sold my photography and original paintings at art shows and festivals in Florida and Georgia. My photographs have been published on photography and lifestyle blogs. I've been teaching Basic DSLR for 5 years and have done one on one camera coaching for 2 years.

Class Location:
500 N. Indian River Drive,
Fort Pierce, FL
